Name: Patty Grubb  
Title: HR Assistant  
UW-Madison Workplace: Department of Population Health Sciences/SMPH  
Candidate for Executive Seat 7 – Non-Represented Classified Staff  

Why do you want to serve on the Executive Committee?  

I have worked at the University of Wisconsin-Madison for over 35 years as a classified staff member, starting as a Steno 2 (remember that title??!!) and traveling the classified system through a series of titles from Program Assistant to my current position as HR Assistant--with many titles in between! In addition to my current HR duties, which include processing promotion packets, assisting with faculty recruitments, and coordinating volunteer faculty appointments, I also serve as the Assistant to our Department Chair. Having worked in both the College of Agricultural and Life Sciences and the School of Medicine and Public Health, I believe that I would bring a unique perspective to this committee. I think it's great that the classified staff are being recognized as valued members of the UW community by the formation of this Executive Committee, and I would be honored to represent the staff in the Classified Non-Represented Seat 7.
