## **Administrative Improvement Award University of Wisconsin-Madison 2017 Nominees**

UW-Madison's Administrative Improvement Award is designed to acknowledge the dedicated, but often unnoticed, work of those striving to improve administrative processes and service delivery on campus. The efforts of all nominees for the award have had a positive impact on the UW-Madison campus and have moved the University's mission forward.

The following is a list of all individual and team nominees for the 2017 award.

### Individual nominees

- Ann Swenson, Nelson Institute for Environmental Studies (award recipient)
